added activities that complement local and statewide economic development.	
Recommendation to sell or retain parcel. <input checked="" type="checkbox"/> SELL <input type="checkbox"/> RETAIN Reasons for Recommendation In order to make a sell recommendation the tract to be acquired would have to be agricultural, classified for real estate development or a forested tract which is almost three times more productive than the average otherwise it is not a prudent economic move to sell it. Section 28 is not accessible to DNRC for management or to the public. It is very unlikely that it could be developed for uses other than grazing.
